

Xoxoday Empuls vs. Workvivo

If you're evaluating Workvivo and Empuls, this document walks you through where the platforms diverge, and why it matters for your program at scale.

ABOUT XOXODAY EMPULS

Empuls brings rewards, recognition, benefits, surveys, gifting, sales incentives, and social intranet into one AI-powered platform. Trusted by 2,000+ companies across 100+ countries, including enterprises with 50,000+ employees - modular by design, built to scale.

Why Companies Choose Xoxoday

10 enterprise-grade differentiators that set Empuls apart.

1

Multi-Country Enterprise Programs

Designed for large, complex organizations spanning multiple countries, industries, and workforce types - desk-based, deskless, and frontline.

2

One Platform for the Full Employee Experience

Rewards, recognition, incentives, benefits, surveys, gifting, social intranet, and wellbeing - one platform, one vendor, one integration.

3

The Most Comprehensive Reward Marketplace

Xoxoday owns its catalog - most competitors outsource. 10M+ rewards, 20+ categories, 100+ countries. No middlemen.

4

Regional Nuances, Built In

100+ languages, multi-currency, Cost of Living Indicator (COLI) adjustments, purchase parity, local tax governance, local data residency, and local time zone support.

5

Enterprise-Grade Platform

SOC 2, ISO 27001, GDPR, HIPAA, CCPA, DPDP, WCAG compliant. VAPT-tested. Scalable architecture, robust APIs, role-based access, and maker-checker controls.

6

Flexible Deployment

SaaS, API, embedded, or white-label - on any major cloud. Data residency across the US, UAE, India, and Saudi Arabia. Very few vendors offer this range.

7

Deep Integration Ecosystem

60+ HRMS connectors. Two-way integrations with Teams, Slack, Google Workspace, Outlook and Viva. Salesforce, HubSpot, Jira, Zendesk, and more.

8

AI Copilot - Em

On-demand reports, recognition recommendations, writing coach, skill mapping, attrition prediction, and survey sentiment analysis - all live today.

9

Strong ROI & Low TCO

One platform, fewer vendors, lower integration costs, simpler admin. ROI visible across eNPS, retention, sales performance, productivity, and skills.

10

Professional Services & Customer Success

White-glove onboarding, dedicated project management at launch. Named CSM, structured MBRs & QBRs, and 24/7 AI-powered support post-launch.

How Empuls is a Comprehensive Employee Engagement Platform

Workvivo is a social intranet and employee communications platform focused on activity feeds, communities, and light recognition. But when enterprise evaluation shifts to comprehensive rewards, perks, benefits, deep surveys, and global redemption, the platforms diverge. Below, we compare seven core capability areas where enterprise buyers assess fit.

1. Celebrate Milestones & Life Events

Automate celebrations that reinforce culture and connection across the employee lifecycle - from day one to every year after.

Capability	Workvivo	Xoxoday Empuls
Employee Onboarding	Milestone awards from onboarding to exit supported	Welcome swag & merchandise fulfillment, celebratory reward points, day-one culture moments
Long Service Awards	Long service awards supported	Auto-tiered tenure programs at 3/5/10/15/20+ years with loyalty rewards
Festivals & Special Occasions	Gifting for festivals and holidays supported	Birthdays, anniversaries, graduations, marriages, regional festivals - fully personalized
Year Recaps via Employee Yearbooks	Personalized service anniversary yearbook supported	Auto-generated print-ready yearbooks from recognition moments, peer tributes & awards
Video & Multi-Format Messages	Video uploads and posts supported	Video shoutouts, GIF cards, social wall shares, multi-format celebrations

2. Recognize & Reward Performance at Scale

Appreciation culture relevant across regions, roles, and reward preferences - with governance to ensure fairness and consistency.

Capability	Workvivo	Xoxoday Empuls
Peer-to-Peer Recognition	Peer-to-peer awards supported	Wall of Fame, badges, likes, real-time appreciation feed, social intranet integration
Manager Spot Awards	Spot awards for in-the-moment recognition supported	Instant spot awards, configurable budgets, approval flows, frequency caps
Structured Nomination Programs	Limited nomination-based award workflows	Multi-level jury panels, nomination windows, branded award cycles, AI-powered bias detection against instances of exclusion and favoritism
Gamification	Limited contests and challenges	Leaderboards, badges, streaks, tier progression, contest mechanics across all programs

Capability	Workvivo	Xoxoday Empuls
External Stakeholder Recognition	Not Available	Customers, partners, vendors, contractors recognize employees on same platform
Values-Aligned Recognition	Core value badges supported	Company values tagged on every recognition, reports on values adoption by team/region

3. Run Programs with Enterprise Governance

Beyond the Platform - What You Get When You Choose Empuls

Empuls is more than a recognition tool - it's the engagement infrastructure your people strategy runs on.

At launch, you get dedicated Implementation Engineers, structured onboarding, promotion kits, manager toolkits, and adoption workshops - built to ensure your program lands with momentum, not a quiet rollout that fades in weeks.

Post-launch, a named Customer Success Manager actively drives adoption, recognition frequency, and participation - through targeted campaigns, manager nudge programs, and structured Monthly and Quarterly Business Reviews. A 24/7 AI-powered support bot keeps your teams unblocked, backed by a global team across time zones.

On AI, Empuls is already ahead. Em generates reports on demand, recommends who to recognize, coaches award writing, maps skills, and predicts attrition. It also automates full engagement calendars and lets admins plan and execute entire campaigns through simple conversation.

The longer you run Empuls, the smarter and more impactful your programs become.
